RE: **UPDATE No. 2 - Tuition Assistance Program - Child Care for Essential Workers**

A new Emergency Child Care Assistance Program (ECCA) to help support childcare costs when a parent or guardian is an essential employee, *regardless of income*, has been announced by the Department of Human Services' Division of Family Development.

Some of the common questions we have been asked include how much will child care cost? According to the Department, if an essential worker currently receives child care assistance under the state's Child Care Subsidy Program (CCSP) or is eligible for it, *child care costs will be fully covered by the state*. To give you a sense of whether one would be eligible for the CCSP, the income maximum for a family of four is \$52,400 annually. Go to www.childcarenj.gov to learn more about this program

For **all other families**, the ECCA program is available; the state will pay the following rates **and parents/guardians will be responsible for the difference between that and what the child care center is charging**, <https://www.childcarenj.gov/Emergency>.

The state will pay the following per week.

State Rate for Emergency Care

INFANT	\$450.35
TODDLER	\$415.70
PRESCHOOL	\$415.70
SCHOOL-AGE	\$336.00
	<i>Full-time weekly rate for one child</i>
